

# Error with Application Attachments

This article will help you troubleshoot the error message "Error in processing attachments. Please contact the administrator."

Sr. Number	File Name	Attachment Description (Optional)	Created Date	Action
<b>No Attachments</b>				
<input type="text" value="Attachment Description (Optional)"/>				
<input type="button" value="Choose file"/> <input type="button" value="Upload"/>		<i>0 of 1000 Characters</i> <b>Error in processing attachments, Please contact to administrator.</b> 		

This error occurs when your upload file name includes characters that the system doesn't recognize. For the purposes of uploading attachments please ensure your file name is made up of standard English letters and numbers. Avoid using any additional special characters except "-" or "\_".
